Industries-Sericulture-Government Silk Filatures Kollegal Technical Expert's Quarters Improvements Expenditure-Sanctioned

C.F. 32 (a).

Industries & Commerce Department

From (Name) Sri Rao Bahadur N.M. Vidyanathaya, B.Sc,(Edin).,
Designation Director of Industries & Commerce,
Station Chepauk, Madras.

Received Registered
No. 21647D/46

To The Secretary to Government,
Development Department, Madras.

Enclosures:
One Estimate

No. 1170 DI/46 dated March 1946.

Sir,

Sub: Industries - Sericulture - Government Silk Filature, Kollegal - Technical experts quarters - Improvements sanction requesting.

Mr. P.A. Raman, Manager, Kollegal Silk Filature, Kollegal, who is now occupying the Manager's quarters at the Kollegal Silk Filature, proposes to occupy the Technical expert's quarters at the Government ~~Silk~~ Silk Filature, Kollegal as he is in charge of the Government Silk Filature also. He has suggested certain minor improvements to the Technical Expert's quarters.

These are :- (1) Providing iron bars to the windows. The windows in the Technical expert's quarters being bigger in size than those in the other quarters in Kollegal are very insecure from the point of view of safety with the flimsy wooden bars provided for them. At the time of constructing these quarters, wooden bars had to be provided owing to non-availability of iron materials. The iron materials for which indent was placed then have since been received and may be utilised now.

P.T.O.

2. Providing connecting walls from the main quarters to the out house on both sides. These connecting walls from the main bangalow to the outhouse are required to ensure primacy to the occupants and also safety. The necessary bricks etc are available for this work.

As these minor improvements were found essential, the General Manager was permitted, in anticipation of sanction, to have the improvements carried out departmentally. In the circumstances, I request that Government may be pleased to sanction an expenditure of Rs.250/- (copy of estimate enclosed) for carrying out these minor improvements.

The expenditure is debitable to 85 A- Capital outlay on Provincial schemes of State Trading-C.F.- Government Silk Filature, Kollegal - F6 . Buildings plant and machinery and other equipments.
